CONTACT REQUEST FORM & VEHICLE REGISTRATION

Dear Homeowner:

With the newly adopted “guest parking permit” process in the Rules, each home will be issued two (2) guest permits which must be displayed in a vehicle that is visiting and using a guest parking space.

*“Any vehicle using a guest parking space **for more than four hours** must have an Association issued parking permit, in clear sight being displayed from the rearview mirror. Any vehicle not displaying this permit will be subject to immediate towing at the owner’s expense. The Association will have the community patrolled by a towing contractor and they will be checking for a permit being displayed. As a reminder, guest parking spaces are not to be used by residents. Replacement guest parking permits may be obtained at the Property Management office for a fee.”*

Please take a few minutes to fill out this form. This information **will not** be published or given out and is strictly for Association use. Once the form is returned, your guest parking permits will be mailed to you. Thank you.
